PRESIDENT'S REPORT for FEBRUARY

Welcome to a brand new month. What an amazing range of works we have in the gallery at the moment! The Seascapes in this month's exhibition are certainly wonderful with a full range of moods, colour, styles and weather on show.

Thank you to all those who were able to make it to our first meeting of the year. Congratulations to our new Secretary, Katherine Walsh, who was elected unopposed. While Jane leaves big shoes to fill, I know you'll all support Katherine as she continues to learn the role and makes it her own. I and the rest of the Executive Team look forward to continuing to strengthen our team for the benefit of our Art Society and our Gallery.

Quite a few important things were discussed at the meeting and as this impacts on what we do as a Society and Gallery, it's good to have as many members as possible at meetings to get a variety of viewpoints and ideas. Please read the minutes carefully and as always, thank you for your continued support.

Please also note our **new email address** which comes into effect immediately. As explained at the meeting, it is completely necessary for us to move to a new email and while we'll have the old one open for a limited time, it'll only be for a few short weeks. Please add the new one to your email address book.

New email address: admin@herveybayartsociety.art

We have two new learning opportunities for our members running throughout the year with limited sessions. Dona Norwood will be running learning sessions on "colour" and Mark Brose will be running learning sessions on "portrait transitions". Please note the dates and the cost of these sessions is per week, not for the sessions as a whole. If you can bring the correct payment for the sessions, that would be most helpful so that eftpos doesn't have to be used.

Please note these are not "special workshops", rather extension lessons from professional artists in subjects of high interests. You don't need to book into the sessions, however it is suggested that you attend regularly to gain as much as you can from them while they're on offer.

Our Marketing Team have a limited number of aprons arriving soon with our Gallery 5 logo on them. These will be for sale to our members at an extremely reasonable price for a quality artist's apron. Keep an eye out for information which we'll share as soon as they come into the Gallery.

We've lots of planning for events and occasions occurring in the 2025 year. A quarterly calendar has been placed on the whiteboard in the workspace area which is color-coded, showing events, things that are on which we need help with etc. I'll make sure I include this with this newsletters as well so those of you who don't make it to the Gallery regularly still know what's coming up.

Until next month,
Donna Stackman
