GEORGE SEYMOUR

Hello Members,

Another month has been and gone and we've had, yet again, another brilliant monthly exhibition.

STILL LIFE was the topic and a huge congratulation to all our winners, and also to every entrant who made this exhibition diverse and interesting.

The Ben Winspear workshop on 12th & 13th July has been cancelled. I spoke to Ben, and although he is disappointed, he understands that if we don't have the numbers, we can't run the workshop.

3D ARTWORK – Rhonda Simonis has kindly agreed to continue with the 3D Co-ordinator role,

In order not to clash with the monthly and general hanging days, 3D artwork will now be accepted on the last Thursday of every second month. 26th June being the next date. This will allow Rhonda space to work as she will be emptying the cabinets and cleaning them before displaying the new items. Artwork will be accepted between 9-11 am.

- 3D items must be the work of the artist.
- All works sold are subject to commission, and can be replaced during this time period.
- Items will be displayed for 2 months, and must be collected by the artist as they cannot be stored.
- All work displayed is at the discretion of the executive.

COPYRIGHT/PLAGIARISM- Lorraine and I worked together and have modified the entry form which now includes a column for artist to sign to acknowledge that it is their original artwork. There is a notice on the entry table reminding artists of the conditions of entry. If we do end up with a piece of artwork which breaches the copyright policy or is deemed to be plagiarized it will not be hung, cannot be sold and will be brought to the attention of the executive for their dealing.

The 41st ACAE (Annual Competitive Art Exhibition) is fast approaching and a lot of work is going on behind the scenes to make this happen. Josephine and Rolf are bringing their expertise to make this another great event. Entry forms are available at the gallery or online, and need to be in by 27th June.

The SPECIAL MEETING was held on Monday 2ND June, to vote in our new President. We had a good attendance which was lovely to see. Congratulations to Rolf Sieber who was voted in unanimously.

I had the privilege of stepping up to the role of President in the interim of Donna leaving as Rolf being voted in. I would like to thank everyone for their support to the exec during the last few weeks. A lot of people have come forward to offer their skills in various areas of volunteering which is wonderful, and we look forward to building teams around each role and succession plans for the future.

Donna Stackman is continuing to do a wonderful job with our website but we are looking for a team to take it on in the future. If this is your skill set and would like to have a go, please let me know.

SPONSORS, once again we cannot thank our sponsors enough for the support they give us throughout the year.

That's it from me

Nicola
